The performance quoted herein represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost, and current performance may be higher or lower than the performance quoted. For performance data current to the most recent month end, please visit [www.hancockhorizonfunds.com](http://www.hancockhorizonfunds.com).

The advisor has contractually agreed to waive fees and reimburse expenses until May 31, 2018. In the absence of current fee waivers total return would be reduced. The advisor is executing its ability to recapture management fees. The expense ratio above does not reflect the ability of the advisor to recover all or a portion of prior waivers, which would result in higher expenses for the investor. This option is available contractually to the advisor until May 31, 2018.

Fund returns include change in share value and reinvestment of distributions, unless otherwise indicated.
